

WHO ARE WE?

LanceBotics Team 200 is an extracurricular robotics team of 45 Leaside High School students, a teacher volunteer and parent helpers. LanceBotics Team 200 is divided into three different teams (Team 200A, 200B and 200C) competing against other schools in **VEX Robotics** competitions. By using robotics to apply our knowledge of Science, Technology, Engineering and Mathematics (**STEM**) we maintain a fun and competitive environment. In preparation for VEX Worlds, LanceBotics relies on its sponsors, a key component for LanceBotics' outstanding success. Not only would your support help LanceBotics, your support would also help promote your franchise in an international competition*. With the support of contributors and the Leaside community, LanceBotics will have many successful years to come.

*See next page for details

WHAT IS VEX?

The VEX Robotics Design System offers students an exciting, hands-on platform for learning about career opportunities rich in **STEM**. These are just a few of the many fields students can explore by creating with VEX Robotics technology. Beyond science and engineering principles, a VEX Robotics project encourages teamwork, leadership and problem solving skills. The annual VEX World Championships consists of teams from more than 25 different countries!

TEAM 200A QUALIFIED!

Team 200A is ecstatic to represent Canada internationally at the annual 2016 **VEX Robotics World Championships in Louisville, Kentucky**, taking place on April 20 to 23. On March 5th, Team 200A qualified for the VEX Worlds Championships, against some of the best robotics teams in Ontario. They are the only robotics team in the TDSB to represent Canada on the global stage for two years in a row. Team 200A is determined to win the entire competition.

COST BREAKDOWN

EVENT REGISTRATION COSTS	\$ 3 300.00 CAD
ROBOT PARTS, HARDWARE	\$ 6 000.00 CAD
FIELD AND GAME PIECES	\$ 2 700.00 CAD

BECOME A CONTRIBUTOR

SPONSORSHIPS

SPONSORSHIP TYPE	MINIMUM SPONSORSHIP	PERKS
BRONZE	\$200CAD	Logo on LHS LanceBotics website + small logo on Team T-shirts
SILVER	\$500CAD	All above benefits + logo on Team 200 competition banner
GOLD	\$750CAD	All above benefits + medium logo on Team T-shirts + announced during alliance selection
PLATINUM	\$1000+ CAD	All above benefits + large logo displayed on robot and on Team T-shirts + large logo on team 200 competition banner
PLATINUM PLUS	\$1000+ CAD	For your continued support over the years. All above benefits on annual basis + prominent display case

ACHIEVEMENTS

TEAM 200A

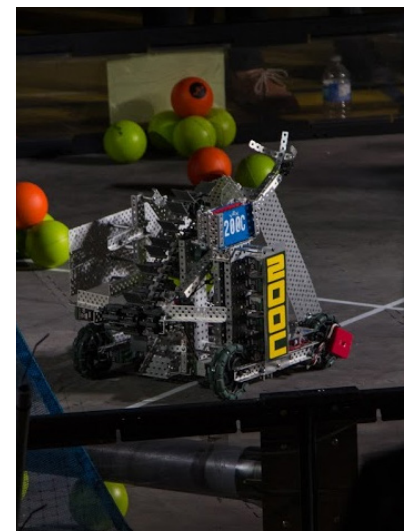

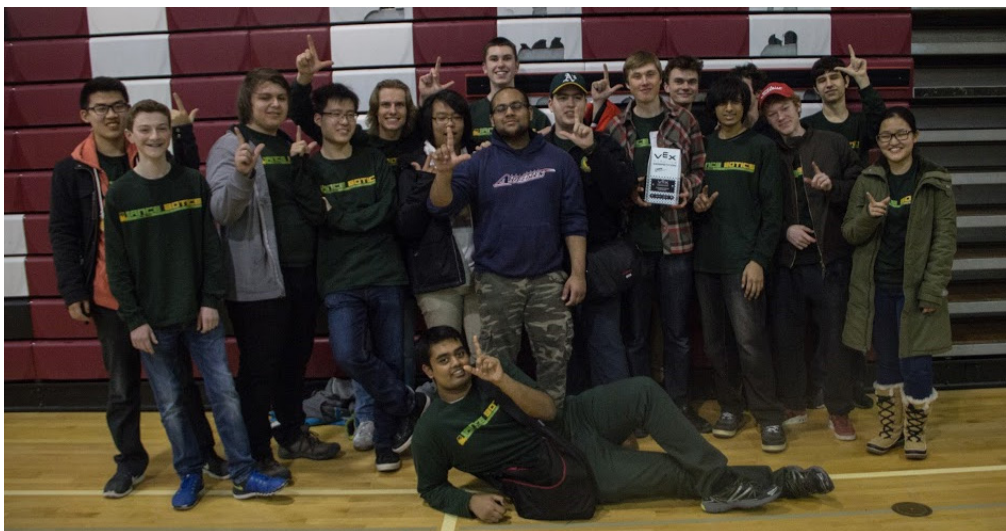

Qualified for VEX Worlds at the Ontario Provincial VEX Robotics Championships
March 2016

TEAM 200B

Made it to the quarter finals at the Toronto VRC Qualifying Event
November 2015

TEAM 200C

Qualified for the Ontario VEX Robotics Championship at the Mississauga VRC Qualifying Event
February 2016
